Summary

Please provide a brief summary of all regulatory changes, including the rationale behind such changes. Alert the reader to all substantive matters or changes. If applicable, generally describe the existing regulation.

This regulatory action would repeal 16VAC15-30-40, Motor vehicle occupations. Following passage of House Bill 2495 in the 2009 session of the General Assembly, the current regulatory language differs from the revised statutory language. Amending the regulation to track the statutory changes would unnecessarily restate the statute.

Statement of final agency action

Please provide a statement of the final action taken by the agency including (1) the date the action was taken, (2) the name of the agency taking the action, and (3) the title of the regulation.

Pursuant to legislation enacted by the General Assembly to revise the Code of Virginia, at § 40.1-100.A.7., the Virginia Department of Labor and Industry is submitting this final exempt regulatory action for publication in the August 17, 2009 issue of the Virginia Register, to become effective on September 18, 2009.
